01 PROFILE

BIM Architect and RIBA Chartered Member with 10+ years across the UAE, UK and Europe — spanning government, diplomatic and civic buildings, residential, hospitality and mixed-use masterplanning. Experience from concept and authority approvals to technical delivery, with multidisciplinary coordination (architecture / structure / MEP), Revit-based documentation and federated-model workflows. Design-led, with high-end visualisation and experience leading packages and coordinating consultants across borders.

02 SELECTED HIGHLIGHTS

- **Selected London projects (EPR)** — high-rise: Peninsula Square (29,363 m² GIA; 828 rooms); hospitality: Brick Street Hotel; residential: Manor Road Quarter (290 units); RIBA Stages 3–4, Revit documentation and consultant coordination
- **Government & diplomatic** — Emirates Diplomatic Academy (18,000 m²; completed; RIBA Stages 2–4); UAE Embassy, Dhaka, and Consulate, Karachi — competition concepts
- **Lead architect** — UAE civic & commercial: Multi-Purpose Hall + retail/offices, Al Dhaid (7,400 m²; built), and Trampoline Park, Sharjah (7,187 m²) — concept to permit; direct investor/authority and multidisciplinary coordination
- **High-end Dubai residences** — incl. a 4,200 m² villa on a 41,500 m² plot (completed); design development and structural coordination
- **UK masterplanning** — Ashmere — Parcel 9, Ebbsfleet Garden City (215 homes; 3.94 ha), within a masterplan for ~23,000 residents; Lancaster Canal Quarter regeneration concept
- **Luxury resort hotel** — technical delivery at RSA for a leading hospitality brand (68,000 m² site; 60 keys; under construction); geometry coordination and weekly coordinated BIM 360 uploads with clash resolution (RIBA Stage 4)
- **Model-based delivery in Revit** — within multidisciplinary project teams; direct coordination with structural and MEP engineers and resolution of model-coordination issues at design stage
